## TO WHOM IT MAY CONCERN

## PROOF OF NON PROFIT STATUS

Fondation Camerounaise de la Terre Vivante (FCTV) is a non-profit making local organization created in 2008 with its main objective being to promote, facilitate and support community engagement in the sustainable management of natural resources and their environment in Cameroon.

Based on the law LOI N° 90/053 DU 19 DECEMBRE 1990 on Freedom of association, Article. 2 which stipulates that an association is the convention by which people share their knowledge or activities for a purpose other than sharing profits and Article 9, which states that the Association shall be freely administered in accordance with their statutes and legislation in force.

FCTV does intervene in the domain of environmental education, community forestry, livelihood improvement and sustainable management of natural resources.

The activities of FCTV are non-lucrative. FCTV provides its expertise and technical know-how to the project beneficiaries without accepting anything in return.
